# RENAISSANCE myON

How to find the right book on myON

1. Go to myon.com and login using the details provided

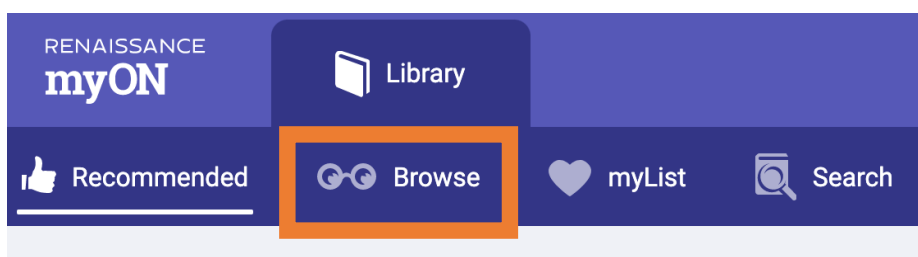

Note: the School Name is **Month of myON**

**If you don't have your Username and Password ask your Teacher**

2. You can easily browse the collection using the Browse area

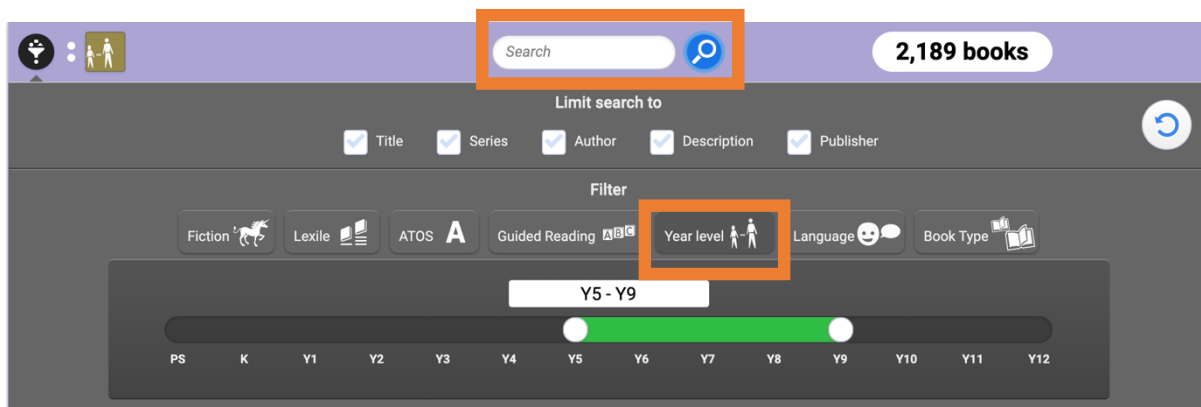

There you can quicky; sort between fiction, non-fiction and graphic novels, then choose the topic area you are interested in:

3. To search through the library with keywords or filters, click on **Search** in the top bar

There you have extra options to help find the right book. For example you can search by year levels and type in specific topics or titles you want to find:

Play around with **Search** settings until you find what you are interested in reading.

Happy Reading!
