The complete **Renaissance Literacy Portfolio** gives educators:

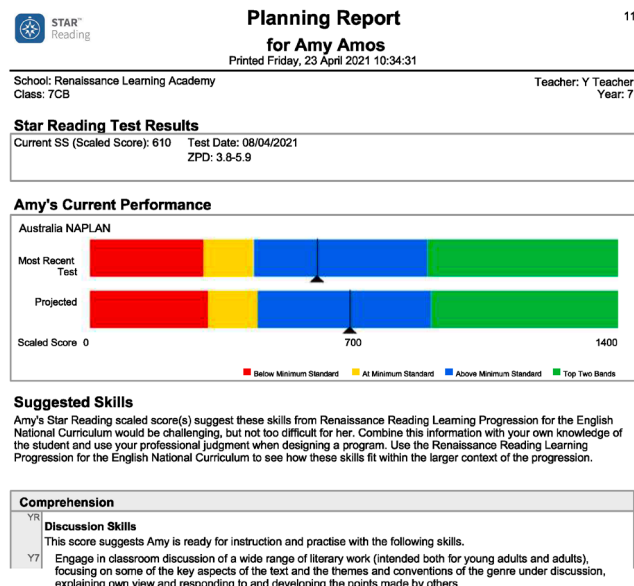

The Renaissance Literacy Portfolio provides a complete solution that combines assessment-driven reading practice and digital access, empowering educators to chart a personalised path toward literacy growth for students of all abilities and at all levels.

Assess and guide student growth

Track student mastery and growth over time to get deeper insight into which skills the student has mastered and which need further attention.

Star Assessments®

Pre-K–12 assessments for reading mastery

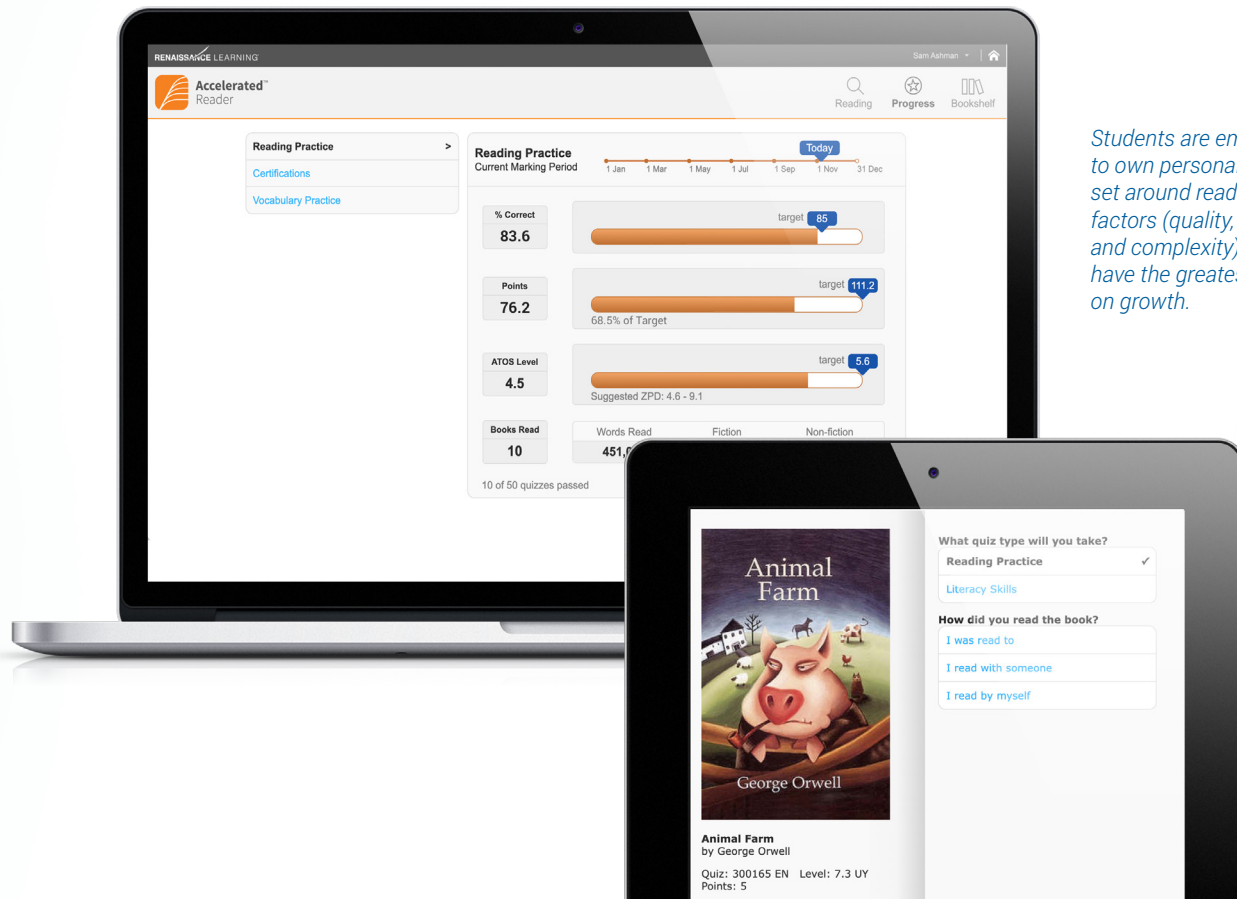

- Reliable results in less than 20 minutes
- All-in-one screening and progress monitoring
- Accurately measures, monitors, and predicts achievement and growth

CUSTOMER TESTIMONIAL

"Students start using Star Assessment in Year 2 and continue the program through to Year 9. We get our students do a Star Reading test once a term, this allows us to see and track their progress throughout the year."

Patricia Fairman
Ardlethan Central School NSW

Personalise student reading goals

Students are empowered to own personalised goals set around reading practice factors (quality, quantity, and complexity) proven to have the greatest impact on growth.

Accelerated Reader®

Independent reading practice that delivers growth

- Nearly 55,000 reading, vocabulary, and literacy skills quizzes
- Personalised goal setting and deep data insights that guide effective practice
- Families can access real-time information on their child's reading progress

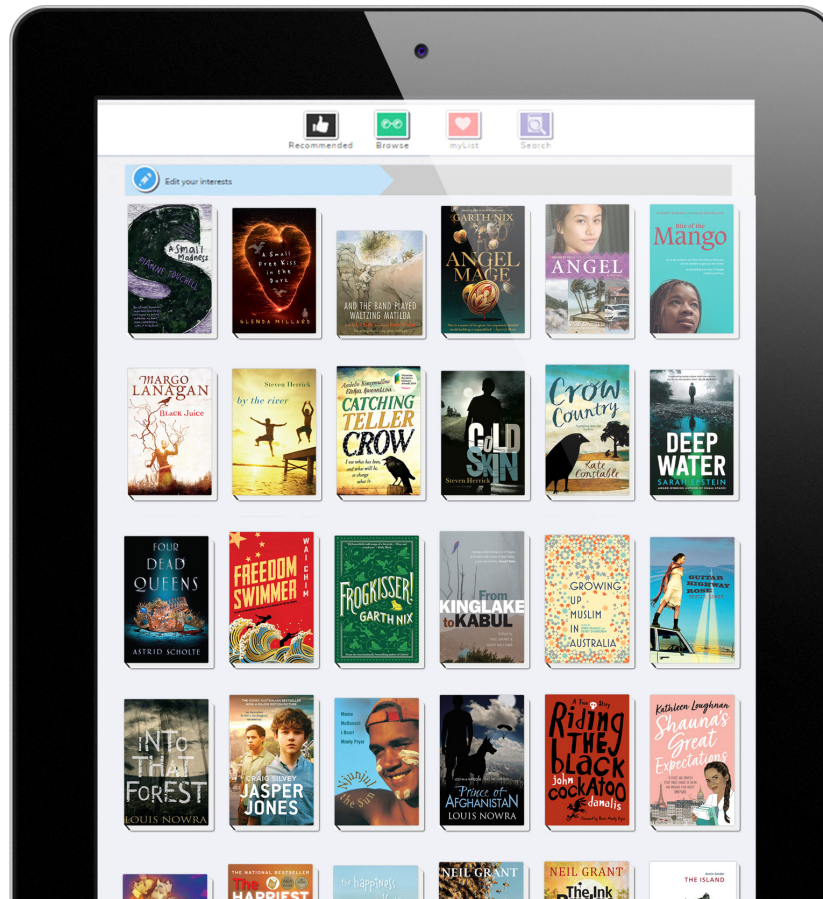

SEE IT IN ACTION

Accelerated Reader enables setting the right goals, matching kids with the right reading materials, and gaining deeper insight into independent reading progress quickly and efficiently. See how it works inside an Accelerated Reader classroom.

Engage students in reading

Each student's book recommendations are personalised to their interests and reading level.

myON®

Personalised interactive literacy platform

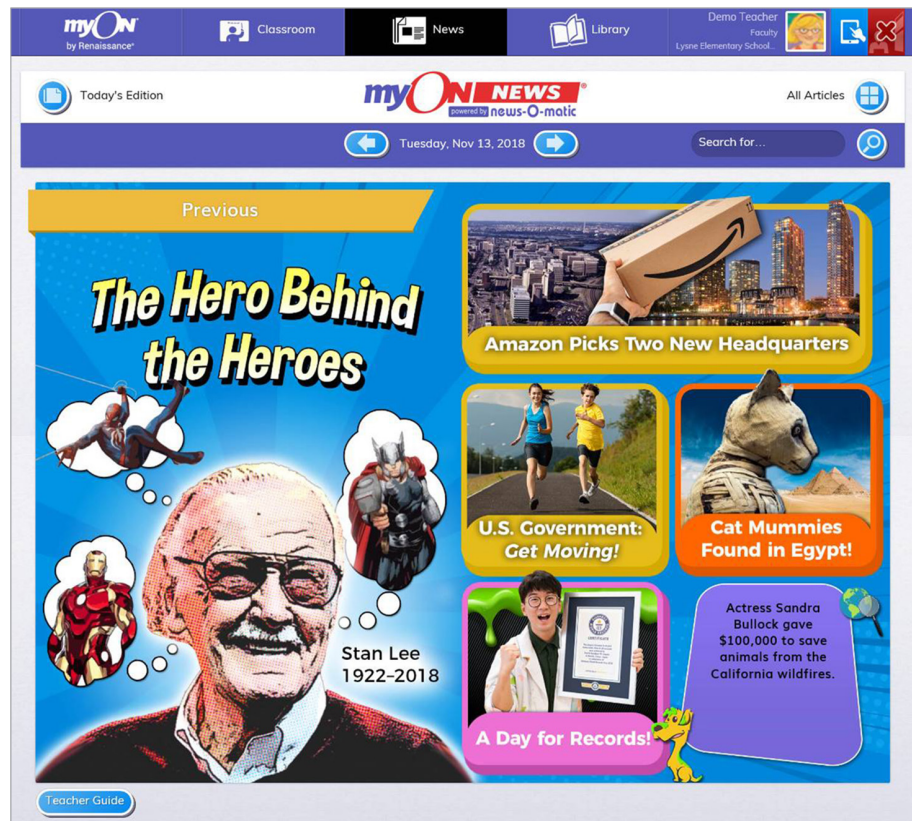

- Offers as many as 6,000 digital books
- Unlimited access, 24/7 online and offline
- Literacy tools, scaffolds, and projects to build skills
- Australian publishers available

CUSTOMER TESTIMONIAL

"I continue to receive great feedback from teachers using myON. Students are highly engaged in reading and some classes even ask if they can read from myON."

Lauren Rodriguez
Head Teacher Classroom Practice,
Literacy
Liverpool Girls High School

Inform students about current events and world news

Articles include audio and multimedia supports such as videos, slideshows, and maps to strengthen students' understanding.

myON® News
powered by News-O-Matic

Daily news just for kids

- 5 daily news articles 52 weeks a year
- Safe, age-appropriate content reviewed by a child psychologist
- Available in English, Spanish, and French and written in 3 Lexile® levels

USE NEWS ARTICLES FOR:

- morning meetings
- independent reading
- geography enrichment
- group reading
- writing activities
- and more!

Your **Professional Learning** Matters

Professional Development

At Renaissance®, our mission is to accelerate learning for all, and our professional development services are a core part of that mission. We offer a comprehensive range of options—from free training resources embedded into our solutions to custom, multi-year professional development and implementation plans—to help ensure you and your students are successful when using Renaissance.

Let us partner with you to deliver high-quality professional development to:

- Implement your Renaissance programs with quality and fidelity
- Boost student growth and achievement
- Support teachers and staff at all levels, from new to experienced
- Help you achieve your school or diocese goals

Learning data is at the **heart of our story**

Renaissance has always been committed to bringing you the best assessment and practice solutions possible. Today, we harness the power of learning analytics, combined with our ever-expanding database and advances in learning science, to deliver more engaging, more effective solutions for literacy growth.
