

Planning Call Session Overview

What do we know so far?

Who will be involved in the program and what do you know about Star and AR so far?

Q: Student Data: Have you submitted Student Data to Renaissance? (Note: Student Data must be submitted before Professional Learning Session 2 can take place)

Q: Book Data: Have you exported the list of books from your Library system? Have you sent the list of books as a CSV file?

Overview of Assessment

- a) **Star Reading:** The initial form of testing - generates student reading ages and ZPD - range of book levels the student should be reading from a 34 question, computer adaptive reading assessment – results generated immediately and available to teachers through a range of reports
- b) **Accelerated Reader:** Assesses student comprehension of books read as they read and complete quizzes on book content – results immediately displayed for student monitoring and teacher access

The Professional Learning Process

Your Renaissance Coach will facilitate 6 Professional Learning Sessions as outlined below:

Session Title	Who is involved?	Indicative Time of Delivery*
1. Library Admin	The Librarians and Administrator	Week 1
2. Star Assessments	Staff who will assess students	Week 1
3. Star Data and Reports	Teachers and Administrator	Week 4
4. Launching Accelerated Reader	Teachers and Administrator	Week 5
5. Using AR Data & Setting Targets	Teachers and Administrator	Week 9
